### My Favorite Day

Hi! My name is Lucas. I love spring. The weather is warm and I can see flowers everywhere. I use my eyes to see the colors, my nose to smell the flowers, and my ears to hear the birds.

In spring, I wear a T-shirt, jeans, and sneakers. I don't need a jacket. I use my hands to play outside and my feet to run in the park.

I love to eat ice cream. I use my mouth to taste it. I feel happy in spring!
